Dear Kenn:

Thank you for your letter of February 10, concerning the above named individual. We are glad to know that this individual has pled guilty and would like to have the sentencing when it occurs in March. This will help to give us the facts we need to refuse registration at a later date should an application come to us. If any newspaper clippings are available or are published after sentencing, please send us copies of these.

I am also sending you a confidential record sheet which I would like to have completed to the best of your ability. This will enable us to identify Mr. Gardner should he move to some other section of the country.

SUBJECT: ~~Mark P. Richard Gardner~~

Dear Ken:

We wrote you in September concerning the above named individual. I indicated at that time that a Detective Shannon from Orlando was checking into this individual who was believed to be living in California. We have not heard from anyone concerning this matter, and wondered if we should just close out this file or whether we should keep inquiring for further information.

We would like your help in closing this case, one way or the other.

Sincerely,

SUBJECT: Mark Richard Gardner

Dear Kenn:

Earlier this summer we received a phone call from a Detective Shannon who is in the Sheriffs Department in Orlando. He was checking into an individual by the name of Mark Richard Gardner who now lives in Glendale, California. It seems that there was reason to believe that he had molested some children, both in Florida and California. Apparently, he has several young boys living with him in his California home.

Perhaps you can tell me if you have any record of registration for Mr. Gardner in your council in the past. This would be helpful to us as we try to establish whether we should place this individual on our confidential file. Thanks for your help.

Sincerely,
